

REVELATION RAINBOW™

Wristband Size Guide

Cut out the sizes and wrap around your wrist to find the best fit (the band will stretch around your hand). You don't want it too tight—that would be a tourniquet, and not so good for your hand. **These sizes are approximate**, but will give you a better idea of the fit before you order. Note that pre-boxed Wristband Kits are all one size.

LARGE 8"

MEDIUM 7.5"
